

**The group stores all our camping equipment in a 20 foot shipping container. We need to find a new home to keep it. CAN YOU HELP? We only require occasional access normally before and after camps.**

**For more information or you have a site suggestion please speak to Paul O'Brien (Scout Leader) or Martin Sawyer Group Scout Leader**

With the lighter and warmer nights coming we all are keeping our fingers crossed that we will soon be meeting face to face again be it in or outdoors.

Once lockdown rules are relaxed we will have to wait on *Scout Association* rules being changed. When we were able to meet face to face outside in the past we were limited to the size of any groups, if this is the case in future Beavers and Cubs may be meeting in three or four groups.

While we wait on news of the rules being changed we will carry on our meeting on Zoom. As we are a uniformed organisation we are asking for all members to where uniform to on-line meetings.
